November 25, 2020

In response to the increases in COVID 19 cases, in the Town of Cromwell, Effective today 11/25/20, The Cromwell Fire District and all of its facilities will be closed to the public, except by appointments. Access to the facilities will be restricted, unless it's an emergency.

The President of the Commission in consultation with the Executive Director, State and Town guidelines and health agency experts has taken this necessary action to protect the public and all of the Districts' First Responders and Water Department employees.

This is a very fluid situation. Please check with our web site for the latest updates. We ask all residents practice social distancing and good judgement. **STAY SAFE and HEALTHY.**
